

Q. How do I access the Chat Rooms? Do I need to register?

If you are a member of ALZConnected, you already have access to the Chat Rooms. You can simply click on Chat Rooms at the top of any page and access the room you'd like to use. The Chat Rooms are available 24/7, day or night.

If you have questions about Chat Room etiquette or need to learn how to use them, please feel free to send us your questions via the [Contact Us Form](#).

If you have additional questions about the Chat Room Features, we encourage you to visit the Chat Room Help Page. You can [click here](#) to be directed to the help page, but will also find this help page via the Chat Room Control Panel, as seen below
